OUTSTANDING COMMUNITY CONTRIBUTOR: Shirley Timpano, General Manager for Fabricare Cleaning Center (L) and Brenda Boothby from the District Municipality of Muskoka (R).

Fabricare has another successful coat drive

Fabricare Cleaning Center would like to thank everyone who donated to our Warm Hearts, Warm Clothes Coat Drive this year. Your generosity has impacted our community and we are proud to be involved with such a great cause. This was our fourth year with the Coat Drive, collecting donations in October with distribution dates in November.

We partnered with the District Municipality of Muskoka and The Children's Foundation of Muskoka. Gently used winter outerwear donated by the community, cleaned and distributed by our team members and volunteers. We asked

our customers to help us, help our community and we received our highest amount of donations so far, this year.

Fabricare Cleaning Center was recently honored with the Outstanding Community Contributor Award presented by the District Municipality of Muskoka for our involvement in the coat drive. We have also received the Community Services Recognition Award for Volunteerism and Leadership to better our community.

We are excited to continue with Warm Hearts, Warm Clothes next year and we look forward to seeing you in our Fabricare locations all year round.
